2014 CBI NATIONAL STUDENT ELECTRONIC MEDIA CONVENTION DATES AND LOCATION ANNOUNCED

College Broadcasters, Inc. (CBI) is proud to announce that the 3rd annual National Student Electronic Media Convention (NSEMC) will be held at the Renaissance Seattle Oct. 23-25, 2014. The NSEMC is America's only convention dedicated exclusively to the interests of student TV/ video outlets, radio stations, and webcasters.

The convention will feature three days of interactive sessions led by broadcast professionals, students, and student media advisers, capped off with a keynote speaker and the presentation of the National Student Production Awards at a special ceremony on Saturday, Oct. 25. Sessions will focus on a variety of aspects of radio, video, and new media. Also built into the schedule are ample opportunities for students and advisers to network, socialize and benchmark their operations.

"CBI is thrilled to be able to hold our 2014 convention in Seattle," says CBI Executive Director Will Robedee. "Our members voted Seattle as their top choice for a convention site. It is a great media center and a great city."

This year's NSEMC will be held at the Hyatt Regency San Antonio from Oct. 31 – Nov. 2, 2013. For information on registration, session proposals, or sponsorship opportunities for CBI in San Antonio, visit www.askcbi.org/sanantonio.

Additional information on CBI and the National Student Electronic Media Convention can be found at www.askcbi.org.

College Broadcasters Inc. represents students involved in radio, television, webcasting and other related media ventures; ensures a commitment to education and the student pursuit of excellence through active involvement in electronic media; promotes cooperative efforts between the association and other national, regional, and state media organizations; facilitates the discussion of issues related to student-operated electronic media; and other community oriented programs. CBI currently represents more than 200 active radio and television member stations.
