**CBI ANNOUNCES DATES, LOCATION FOR 2017 NATIONAL
STUDENT ELECTRONIC MEDIA CONVENTION**

CBI is proud to announce the 6th annual National Student Electronic Media Convention (NSEMC) will be held at the Hyatt Regency San Antonio Nov. 2-4, 2017. The NSEMC is America's only convention dedicated exclusively to the interests of student TV/video outlets, radio stations, and webcasters.

The convention will feature three days of interactive sessions led by broadcast professionals, students, and student media advisers/managers, capped off with the presentation of the National Student Production Awards at a special ceremony on Saturday, Nov. 4. Sessions will focus on a variety of aspects of radio, video and new media. Also built into the schedule are ample opportunities for students and advisers to network, socialize and benchmark their operations.

"CBI is thrilled to be able to return to San Antonio in 2017," Will Robedee, CBI executive director, said. "We had a wonderful convention here in 2013 and are excited to return."

This year's NSEMC will be held at the Philadelphia Sonesta, Oct. 20-22. For information on registration, session proposals, or sponsorship opportunities for CBI in Philadelphia, visit www.AskCBI.org/philadelphia.

Additional information on CBI and the National Student Electronic Media Convention can be found at www.AskCBI.org.

###

CBI represents students involved in radio, television, webcasting and other related media ventures; ensures a commitment to education and the student pursuit of excellence through active involvement in electronic media; promotes cooperative efforts between the association and other national, regional, and state media organizations; facilitates the discussion of issues related to student-operated electronic media; and other community oriented programs. CBI currently represents electronic student media outlets from around the world.
