The National Student Electronic Media Convention is Where Companies Connect with the Future

The College Broadcasters, Inc. (CBI) National Student Electronic Media Convention (NSEMC) is America’s only convention dedicated exclusively to the interests of student TV/video outlets, radio stations, webcasters and convergent media. NSEMC attendees are current and future electronic media decision-makers and the conference offers an intimate setting that facilitates personal interaction with convention-goers. With hundreds of attendees from all over the country, the NSEMC is the perfect setting to begin cultivating brand loyalty that will last for years to come.

The convention features a two-day trade show on Thursday and Friday, three days of interactive sessions led by broadcast professionals and student media advisers, a keynote address and a special closing event with the presentation of the National Student Production Awards on Saturday, Nov. 2. The NSEMC is a gathering that lets sponsors, exhibitors and advertisers reach an audience consisting entirely of students and advisers interested in new and traditional electronic media.

Purchase of your 6-by-6 foot exhibition space includes a table and two chairs, listing of your company information on our website and in the convention app plus two complimentary conference registrations. Exhibition space is limited and reserved on a first-come first-paid basis, so act early.

Our attendees are decision-makers for small and medium-sized outlets today, and the trendsetters of tomorrow. The NSEMC is the right place for you to increase brand awareness, promote your company and reach potential new customers. Through exhibits, sponsorships and advertising, you will demonstrate your support of CBI and campus electronic media while ensuring maximum exposure for your organization.

The National Student Production Awards which recognize the best in audio, video and web categories, are available for sponsorship.

The CBI National Student Electronic Media Convention Exhibitor Trade Show Oct. 31 & Nov. 1 connects exhibitors with convention attendees eager to learn about products and services that will benefit their organizations.

Our members are naturally curious about products and services for social media, broadcasting, webcasting, electronic news gathering and reporting, audio processing, solutions/upgrades to existing platforms and much more. Convention attendees are also interested in internships, graduate programs and career opportunities.

All sponsors receive recognition on our convention website, in the convention app, and on printed signage in the convention floor area.

Email Lynn Riggle at Development@AskCBI.org for more sponsorship information.
In addition to one-on-one conversations with convention attendees within our exhibition space, CBI offers you these options to get your message out directly to our members.

**Vendor-Supplied Convention Bag Insert: $75**
A CBI tradition that is popular with our attendees. We stuff our convention bags with your vendor-supplied item.

**CBI-Produced Convention Bag Flyer Insert: $500**
Let CBI do the work for you! Send us a PDF of your flyer design, and we’ll produce 500 double-sided glossy paper flyers for stuffing into our convention bags.

**App Activity Stream Header: $300 for one day**
Our convention app is heavily used by attendees. Get noticed by sponsoring the activity stream header that everyone on the app will see! Sponsor one day of the convention for $300 or all three days for $750.

**Convention App Push Notification: $125**
Exhibitors and sponsors can push out a one-time notification to all convention app users. So you will get noticed, CBI is limiting sponsor notifications to just three per day, so “space” is limited.

**“Sessions at a Glance” Exclusive Sponsorship: $1,000**
We create a “Sessions at a Glance” brochure for attendees to pick up at the registration desk. Your logo will be repeatedly seen if you choose to become the exclusive sponsor of this vital NSEMC reference guide.

All sponsors and exhibitors with clickable company descriptions are listed with logos in our NSEMC Attendify app.
