The National Student Electronic Media Convention is Where Companies Connect with the Future

The College Broadcasters, Inc. (CBI) National Student Electronic Media Convention (NSEMC) is America's only convention dedicated exclusively to the interests of student TV/video outlets, radio stations, webcasters and convergent media. NSEMC attendees are current and future electronic media decision-makers and the conference offers an intimate setting that facilitates personal interaction with convention-goers. With hundreds of attendees from all over the country, the NSEMC is the perfect setting to begin cultivating brand loyalty that will last for years to come.

The convention features a two-day networking and exhibition hall open on Thursday and Friday, three days of interactive sessions led by broadcast professionals and student media advisers, area tours, and a special closing event with the presentation of the National Student Production Awards on Saturday, Oct. 21. The NSEMC is a gathering that lets sponsors, exhibitors and advertisers reach an audience consisting of students, advisers and professionals interested in new and traditional electronic media.

Our attendees are decision-makers for small and medium-sized outlets today, and the trendsetters of tomorrow. The NSEMC is the right place for you to increase brand awareness, promote your company and reach potential new customers. Through exhibitions, sponsorships and advertising, you will demonstrate your support of CBI and campus electronic media while ensuring maximum exposure for your organization.

Email Lynn Riggle at Development@AskCBI.org for more sponsorship information.

Standard Space Reservation: \$550 • Reserve by Friday, Sept. 29, 2023

The CBI National Student Electronic Media Convention Networking and Exhibit Hall will be open on Oct. 19 & Oct. 20. This space allows for connections between exhibitors and convention attendees eager to learn about products and services that will benefit their organizations. We encourage interactive displays and hands-on opportunities for our attendees to try your product or service.

Our members are naturally curious about products and services for social media, broadcasting, webcasting, electronic news gathering and reporting, audio processing, solutions/upgrades to existing platforms and much more. Our student attendees are also interested in learning about internships, graduate programs and career opportunities.

Purchase of your 6-by-6 foot exhibition space includes a table and two chairs, listing of your company information on our website and in the convention app plus two complimentary conference registrations. Exhibition space is limited and reserved on a first-come first-paid basis, so act early.

Ask us about other opportunities that will allow your business to connect with our convention attendees.

All sponsors receive recognition on our convention website, in the convention app and on printed signage in the convention floor area.
