Donor announcements on WKNC are meant to identify businesses and organizations that have provided financial support to the radio station. The FCC regularly investigates and fines non-commercial radio stations for airing impermissible advertisements. To keep in compliance, donor announcements on WKNC may **not** include the following:

- **Qualitative or comparative language** - Phrases like "only the freshest ingredients," "Raleigh's best wings," "convenience like no other in town"
- **Price information and discounts** - Phrases like "less than $10 per month," "free estimates," "move-in rent special"
- **Calls to action** - Phrases like "stop by one of our four locations," "be sure to try our signature desserts," "visit our website"
- **Inducements to buy, sell, rent or lease** - Phrases like "how about doing something fun," "if you need anything for the great outdoors," "take the stress out of your next car purchase"

**Sample Donor Announcement**

"Programming on WKNC 88.1 is supported by Dan's Deli on Western Boulevard in Raleigh. Dan's Deli features made-to-order deli sandwiches, along with a variety of salads, soups and side dishes. Locally owned and operated since 1999, Dan's Deli is open until 3 a.m. on Friday and Saturday with delivery service available to the NC State campus and surrounding area."

Advertising Policies

1. Student Media reserves the right to reject any advertisement for any reason.
2. Advertisements resembling news items will be labeled “paid advertisement.”
3. The advertiser assumes full liability for their advertisements and agrees to hold Student Media harmless for the content of all advertisements authorized for publication and any claims that may be made against Student Media.
4. Student Media is not liable for damages caused by content of paid advertisements, nor is it liable for errors which do not lessen the material value of the advertisement. Ads which are in error due to the fault of Student Media and are not worth their full value will be discounted at the discretion of the Business and Marketing Manager based on the portion of the ad that was in error.
5. Student Media will be responsible for first-run errors only. Claims for allowance must be made within 10 business days of publication. After this period the publication is exempt from liability due to error. The maximum limit of responsibility will be the total cost of the advertisement in which the error occurs.
6. Only the Business and Marketing Manager has the authority to make adjustments to charges for advertisements. All inquiries regarding such adjustments should be made by phone at (919) 515-2411.
7. If Student Media is designing an ad for a client, the client should allow at least an additional five business days prior to the standard deadline for camera-ready ads to allow for the design, proof and approval processes.
8. Ad artwork is due at least seven business days prior to publication unless special arrangements with the business and marketing manager are approved.

Mechanical Specifications

1. All ads must be properly sized. If your ad is the wrong size or aspect ratio, you will be asked to resend a correctly sized file. Student Media will not distort or stretch ads. Incorrectly sized or misshapen ads may be scaled proportionally, and unused space may be used for other purposes. Proportionally scaled ads will be billed for the size the ad was requested.
2. A resolution of 300 pixels per inch (ppi) is required for continuous-tone photography and all rasterized images in print publications. Do not use low-resolution photography such as that downloaded from the web.
3. Please include your company name and run dates in the ad file name. Ads that do not include a border may have a 0.5-point border added.
4. We cannot guarantee the quality of ads that must be scanned from preprinted material. Do not include screened material or halftones in artwork to be scanned.
5. We prefer camera-ready ads in PDF (.pdf) format. Other acceptable formats include Illustrator native (.ai), InDesign native (.indd), JPEG (.jpg), Photoshop (.psd) and Encapsulated PostScript (.eps). Native files must include all needed fonts and images. EPS files should not contain a specific halftone screen or transfer function.
6. Unacceptable file formats include Microsoft Publisher (.pub), Microsoft Word (.doc), Microsoft Excel (.xls), Microsoft PowerPoint (.ppt).
7. Customers who are not confident creating PDF files should work closely with their media consultant to ensure that the files are created properly.
8. Please submit ads via email. You can email your ad or sponsorships as an attachment to media-sales@ncsu.edu for all of our media outlets. If the ad is too large to email, please speak to your media consultant about alternative submission options.

Terms and Conditions

1. All rates are net. Any commission earned by an agency or placement service must be added to stated rates. Please request an agency rate card.
2. Payment is due prior to the first ad insertion unless credit has been established. Clients seeking credit must be approved by the Business and Marketing Manager before credit can be extended. Please allow five to 10 business days prior to deadline for processing for new advertisers.
3. Classified ads not placed through Technician’s third-party vendor and national ads not placed through an agency must be prepaid. Classifieds do not qualify for any discounts.
4. Billing terms are net amount due and payable within 30 days. Accounts over 30 days will be allowed to advertise, but only if the outstanding balance is paid in full. Accounts 60 days past due must re-establish credit to advertise. In compliance with state policy, accounts 90 days past due are turned over to the North Carolina Attorney General’s office for collection.
5. Display advertising will be billed immediately after publication unless other arrangements are made in advance. Tear-sheets will be provided following publication.
6. There is a $20 service charge on all returned checks.
7. All cancellations must be received prior to the regular advertising deadline. Ads canceled after deadline will be billed at full value. Proofed ads that run incorrectly because the proof was returned by the advertiser after deadline will be billed at full value.
